NOTE FOR THE RECORD

SUBJECT: Consultant's Review of Draft NIE 4-82

Consultant [redacted] reviewed the draft of NIE 4-82: "Nuclear Proliferation Trends Through 1986" today. In addition to his written comments (attached), he commented that he would have included an assessment of Japan's present stance and intentions regarding nuclear weaponry. [redacted] I subsequently met with Harry Rowen to discuss [redacted] reactions to the draft. The discussion focussed on possible policy "handles" for coping with the prospective spread of nuclear weapons to additional countries.
